

# Milking Toni

## An Industrial Archeology

Milking Toni tells the story of Europe's former largest dairy factory and its new purpose as the campus of Zurich University of the Arts.

Five research volumes reveal architectural and industrial traces of the former dairy factory in Switzerland, Poland, Russia, Turkey, the Netherlands, and Pakistan.

A Project by Nina Bühlmann & Vera Ryser  
 Contributing photographers:  
 Özgür Atlagan & Onur Gökmen, Turkey  
 James Batten, Switzerland  
 Benoit Jeannot, Switzerland  
 Charlie Koolhaas, Netherlands  
 Mariya Kozhanova, Russia

Vol. I-V are presented on top of a former Toni Dairy Factory salt bath, used in the mozzarella production. The salt bath today belongs to Swiss Premium AG, Dietikon Switzerland.
